Dear Kenneth, *KCN*

On behalf of Wounded Warrior Project (WWP) and the wounded heroes we proudly serve, I would like to extend my heartfelt thank you for your continued support. As you are probably aware, WWP does not accept government funds. This affords WWP the greatest amount of flexibility in carrying out its mission to honor and empower wounded warriors. However, it also means as an organization we must rely on the generosity of the American public to be able to administer impactful programs to our nation's wounded warriors. In that spirit, I would like to thank Central Ohio American Charities (COAC) for its most recent generous donation of \$20,000. As a result of your generosity, and the generosity of others, program expenditures increased sixty six percent from 22.3M in 2010 to 37.0M in 2011.

Each year, Wounded Warrior Project continues to advance its mission with the support of patriots like you. Through programs like TRACK, Soldier Ride, Project Odyssey, and Family Caregiver Retreats, we have seen many lives changed for the better. Indeed, we are closer to achieving our goal of fostering the most successful, well adjusted generation of wounded veterans in our nation's history. We couldn't do any of this without your continued support. Please know that my warm gratitude is shared by all of us at Wounded Warrior Project.

Sincerely,

Al Giordano  
Deputy Executive Director
